Camp This Week at Mokena's New ParkTAKE INT'L.
HARVESTER
DEALERSHIP

Mr. Herbert Bixler and Mr. Orville Schinkowski, of Frankfort, have taken over the dealership of the International Harvester company at Frankfort. The new partnership will be known as the Frankfort Implement Sales, and will be located in the former Bixler garage on U. S. 30 just east of U. S. 45. They have also purchased the property of the late George Aler, which they will use for displaying new and used farm machinery.

The International Harvester machinery and parts have been purchased from Mrs. Florence Haas, whose late husband, Walter Haas, operated the former Frankfort Motor & Equipment Co. The International Harvester business was established in this community by Adam Heuser and the late Ben Mager, in 1914.

The Frankfort Implement Sales will offer a complete line of International Harvester farm equipment, refrigerators, freezers, air conditioners, and milk coolers, as well as a complete line of parts and accessories. In service they will offer general repairing, welding, towing, tractor painting, and servicing of automotive equipment.

Mr. Bixler has operated his own business in Frankfort for the past seven years, starting with an auto body shop, but later changing to the auto repairing and service line.

Mr. Schinkowski has been with the Frankfort Motor & Equipment company for the past sixteen years, in which he has become widely experienced in the farm machinery and general automotive line.

Both men are veterans of overseas service during World War II and are members of the Bobzin-Swinford American Legion Post 1098 at Frankfort.

Mr. Ervin Lembke, who has been employed at the Frankfort Motor & Equipment company for the past seven years, will be in charge of the parts department. Mrs. Bixler will be bookkeeper for this business.

Mr. and Mrs. Bixler wish to thank their customers for their past patronage and hope to be able to continue to serve them in a much larger capacity.

The newly established business, Frankfort Implement Sales, is planning a special event for some time in July, in which they plan to invite the public to attend.

RAINSTORM
FLOODS AREA

A severe electrical storm, accompanied by torrential rains and high winds, struck this area early Wednesday morning, starting about 4 a.m. and continuing until about 8:30 a.m. At times the downpour reached the cloud burst stage. Fields were flooded and at low spots corn fields and like small lakes. A looked low spots the water gushed across the pavement like a mill sluice.

The underpass on Route 45 at Route 6, near 143rd street, was flooded over a large area. Some cars turned back when they saw a car become stalled in the middle of the underpass, where there was about two feet of water. The car finally got started and very slowly, but most of the cars turned back.

At the Rock Island underpass on Route 45, near Mokena road, traffic was unable to get through and turned back, either north or south, to bypass the flood at this point.

The heavy downpour was one of several during the past week and followed a cool night when it was hardly expected. It was the most severe flood experienced in this area since last summer.

Honor Rev. Riemann
On 10th Anniv. of
St. John Pastorate

Rev. and Mrs. Riemann were complimented on last Sunday, the occasion being the tenth anniversary of his pastorate at St. John's church, Mokena. Mrs. Riemann was presented with a beautiful corsage and the pastor was presented with a purse gift. It is estimated that 300 people came to the lunch at noon which was served by the Women's Guild. A three-tiered cake with the inscription "10th Anniversary" was placed for the occasion and cut for all diners.

Children's day and the annual picnic was held last Sunday, too, under fair skies. The children romped everywhere over the village park and enjoyed the many contests and games. The married men trounced the single men in a softball game.

Day camp is being held this week Monday thru Friday for Mokena and Frankfort Girl Scouts. It is being held in the new recreation spot for Mokena on LaPorte road, the site of the new Mokena village park.

One hundred and fifteen girls are registered, with 27 adults on the staff. This Friday afternoon, June 12, the closing day, they will present a program which will depict the work they have done during this camp. It will start at 2 o'clock, and all parents are urged to attend.

Last Wednesday and Thursday there was a pre-camp training at the camp site for the leaders, under the instruction of Mrs. George Bills of Mokena.

Frankfort School
Alumni Holds 46th
Annual Banquet

The 46th annual banquet of the Frankfort school alumni was held Tuesday evening, June 2 in the St. Peter's Evangelical and Reformed church parlors. The invocation was given by Rev. David Munson, after which there was community singing, led by Mrs. Howard Osmus.

Miss Viola Lankenau, principal, was introduced by Clarence Klepper, president, who welcomed the class of 1953. Miss Lankenau introduced the boys and girls of the class, 22 in all, their parents, the faculty and the board of directors.

Membership in the association was accepted for the entire class by Allan Mager class president.

The Rev. Erich Bizer gave a short address. Included in the program was a cartoon recital by Mrs. Rosalind Heitzman of Plainfield, and a takeoff on the television panel, "What's My Line", with Donald Oetter as moderator. The panel consisted of Mrs. Lawrence Woodman, Clark G. Bennett, Miss Charlene Folkers and Robert Fredin.

At a short business meeting, Orval Schroeder of the nominating committee, submitted the names of Clark G. Bennett for vice president, Miss Lola Harnack, secretary and Leroy Mager, treasurer. All were elected. Mrs. Ralph Nieland, vice president, automatically becomes president.

Named for the nominating committee for 1954 were Mrs. Osmus, Robert Mitchell and Mrs. Burnett Schram.

DEATH TAKES
WM. C. JUNKER

William C. Junker, 79, of Orland Park, well known in this area, died in Silver Cross hospital, Joliet June 3, following a short illness. Mr. Junker was a rural mail carrier on Route 2, Orland Park, for 32 years. At the time of his retirement as a carrier in 1933, his patrons surprised him at his home with a party, when he was presented a beautiful chair. This was also his 60th birthday.

Following his retirement from the mail route, he busied himself following his hobby of growing evergreens. He planted the acreage surrounding his home with many varieties of evergreens. This place was formerly known as Shady Oak Knoll, but after the evergreens were planted there and began to grow, it became known as Evergreen Knoll. Mr. Junker lived here for the past 52 years.

Prior to moving to this present home, Mr. Junker lived with his parents on the Humphrey farm. He was born on the farm on Wolf road now occupied by his brother, Supervisor Fred E. Yunker. He was born there January 18, 1874, and lived all his life in Orland township.

In 1894 he was united in marriage to Miss Augusta Sippel. Following her death in 1912 he married Sophie Barenz, who also preceded him in death a few years ago.

Surviving are one daughter, Mrs. Arthur W. Beagley of Orland Park, and two sons, Howard C. of Washington D. C. and Benjamin G. of Blue Island. A daughter, Mrs. Edna Kreimeier preceded him in death.

Also surviving are three brothers, Christ, John and Fred of Orland Park, and two sisters, Mrs. Helen Scheer of Mokena, and Mrs. May Hinspender of Blue Island. Eight grandchildren and seven great grandchildren also survive.

Mr. Junker was a faithful member of St. John's Evangelical and Reformed church in Mokena, and made large contributions to the church. Funeral services were held at St. John's Saturday afternoon, with Rev. William Riemann officiating.

Soloist at the services was Mrs. Adolph Stein, Rev. Cramer, former pastor, was in charge of the graveside services in St. John's cemetery.

Chest X-Rays
For Frankfort

The Wilco mobile x-ray unit will be in Frankfort Friday, June 12. It will be located across from the post office building. Chest x-rays will be taken. The hours will be from 9 a.m. to 12 noon, and from 1 to 5 p.m.

Everyone from 19 years of age in Frankfort and adjoining areas, is urged to have their chest x-rayed at this time. There is no charge for this service, and no undressing is necessary.

This work is being done under the sponsorship of the T. B. Association of the Will county health department. Wherever the mobile unit has gone up to this time this year they have met with exceptionally fine cooperation from the people. Everyone seems to understand that it is their duty to get their chest x-rayed in order to help in wiping out the dread disease, tuberculosis.

W. S. C. S. of Orland
Methodist To Give
"Cotton Frolic"

The Evening circle of the Orland Park Methodist church in Orland is again planning a "Cotton Frolic", a fashion show for Wednesday, June 24. It will be held at the Orland Methodist church.

Styles and sizes for all age groups will be the main theme. Two delightful hours of fashion showing, preceded by a luncheon will be enjoyed by all who attend.

Mokena Boy Scouts
To Camp at Morris

Mokena Boy Scout troop No. 40 is scheduled for one week of camping in Trappers' Lodge at the Scout Reservation, Morris, July 5 to 11. This camp is adequately staffed with trained leaders, including a swimming instructor and chaplain. There will be periods in scoutcraft, archery, boating, nature lore, campfires and swimming in an outdoor pool. The cost for the seven days is \$15.

As camp life nurtures a love for the out-of-doors, enriching life for years to come, and has a strong socializing influence, while developing self-confidence the leaders are urging that every Scout be given the advantage of this camp experience.

CANCER CLINIC

There will be a meeting of the Will-Grundy County Cancer Diagnostic clinic, June 23, from 10 to 11 a.m.

All patients attending the clinic must have a referral from or be accompanied by physician or dentist.

'AUNT HELEN'
ROWLEY OF
HOMER, DIES

Helen E. Rowley (nee Savage) aged 88 of Homer, died at Silver Cross hospital June 6, following a long illness.

The oldest child of the late Mary and Amos Savage, she was born at the Savage homestead in Homer township, December 8, 1864. She attended Wells Corner grade school, Lockport high, and graduated from Illinois Teachers college at Normal in 1885, after which she taught in local schools until 1889.

On Sept. 5, 1889 she was married to Frank A. Rowley who preceded her in death about 25 years ago. She went as a bride to the Rowley homestead where she lived until she was removed to Silver Cross hospital in September 1951, and where she remained ever since with the illness from which she never rallied sufficiently to go home.

Surviving are two daughters, Mrs. Jesse Cory (Ada) of Earlville and Mrs. Adella Sproat of New Lenox Twp., two sons, Willard A. of Homer and Clarence A. of Plainfield, a sister, Mrs. Adella Paddock of Lockport; eight grandchildren and six great grandchildren. Innumerable friends have lovingly known her as "Aunt Helen."

She was united with the Homer Congregational church at the age of 15, served as church clerk for 26 years and treasurer 33 years. She also held other positions connected with the church at various times. At the time of her death she was an honorary deaconess.

She was a member of the Missionary society, the Wayside Workers circle of King's Daughters and a former member of the Homer Women's club. For many years she was school treasurer of Homer Twp.

Funeral services were held Tuesday at 2 o'clock at Goodale's funeral home with Rev. Milton Heitzman officiating. Burial was in Barnett cemetery.

Surviving, in addition to her son, is a sister, Mrs. Marie Hausman, of O'Fallon, Mo., and five grandchildren.

The body was sent from the Sonntag funeral home Saturday evening to Lathrop, Mo. where funeral services were held and burial was made Monday.

Mokena P. O. Box
Rents To Be Raised
Starting July 1

Effective July 1 box rents at the Mokena Post office will be raised 25c to 50c according to size of box.

The call box will be raised from 25c to 50c. The lock box now 45c will be raised to 90c and the large No. 2 lock box will be raised from 60c to \$1.10. Prices are based on quarterly payments.

According to Postmaster Margaret O'Brien, the basic schedule now in effect has not been changed since 1907. The increase in rates is made to conform with the increased costs of providing the equipment and maintaining the service.

OETTER-WARD
WEDDING RITES

St. Patrick's Catholic church in Wilton Center was the scene of a pretty summer wedding Saturday, June 6 at 4 p.m. ceremony, when Miss Willa Oetter, daughter of Mr. and Mrs. Richard Oetter of Andres, exchanged marriage vows at a double ring ceremony with Arthur J. Ward, son of Mr. and Mrs. Arthur Ward of Lincoln, Illinois. The Rev. George Kuzma officiated.

The altar was decorated with bouquets of white seasonal flowers, palms, and ferns. Preceding the ceremony Mrs. Kevin Walliser played a 15 minute organ recital, and nuptial music and also accompanied Mrs. Jack Watkins of Ennis, Montana, cousin of the bride, who sang, "Mother Beloved" and "Hear Us O Father." Traditional wedding marches were used for the processional and recessional.

The bride, given in marriage by her father, wore the same wedding gown worn by her sister, Mrs. Clyde Voigt, at her wedding three years ago. It was fashioned with a Chantilly lace bodice, long lace sleeves, Peter Pan collar with satin covered buttons at the wrists and down the front of the bodice. The skirt and train were of heavy Skinner satin with lace inserts.

The bride's fingertip veil of nylon net fell from a lace cap trimmed with seed pearls. She carried a bouquet of white Ester Reed daisies.

Mrs. Clyde Voigt, only sister of the bride attended as matron of honor. The bridesmaid, friend of Mrs. Kenneth Knickreid, friend of the bride, and Miss Suzanne Ward, sister of the groom, were the junior bridesmaids. They all wore identical dresses of Nile green nylon net over taffeta fashioned with Peter Pan collar, cap sleeves, and covered buttons down the front of the bodice. They were completed with yellow sashes and wore half hats of matching material as dresses. They all carried yellow daisy bouquets.

Little Miss Sandra Gail Menzer, of Joliet, cousin of the bride, was the flower girl. She wore a white nylon net dress over green taffeta. It was fashioned with short puff sleeves and a Peter Pan collar. It too was completed with a yellow sash. She wore daisies in her hair and carried a small bouquet of matching daisies.

The groom's brother, Robert Ward, served as best man. Alfred Wade of Chicago, served as groomsmen and ushers were Louis Davey of Chicago and Loren Douglas of Bloomington. All men were attired in summer tux.

For her daughter's wedding, Mrs. Oetter wore a dress of rose lace and summer sheer material over taffeta with white accessories. Mrs. Ward, the groom's mother, wore a toast colored dress with pink accessories. Both mothers wore natural orchid corsages.

Following the ceremony a reception was held at the Peotone American Legion Home for over 200 friends and relatives. The four tiered wedding cake was cut by Mrs. James McDermond of Oswego and Mrs. Virgil Dunn of Kankakee. Mrs. Laverne Coldwater presided at the punch bowl while Mrs. Kenneth Heisner presided at the silver coffee service. It was of antique silver which had belonged to the bride's great grandmother Mrs. Ilgen, who had received it on her wedding day as a gift. It is almost 100 years old. Miss Merna Yount of Benson had charge of the guest book.

Following a week's honeymoon to Niagara Falls, N. Y., the couple will reside temporarily at 101 W. Phoenix, Normal, Ill., where they both will attend Illinois State Normal University. For traveling the bride wore a light blue summer suit with navy and white accessories and a white daisy corsage.

WIFE AND CHILDREN

BLUE ISLAND GETS SET FOR
BIGGEST JULY 4 CELEBRATION

Leo Waldvogel, long time resident of New Lenox and employee of the Will county highway department, suffered a cerebral hemorrhage shortly before noon Wednesday, and died in Silver Cross hospital an hour after arriving there.

Waldvogel, 50, at the time was riding in the county truck driven by Harold Spiess of Mokena. The two had been assisting the family of James A. McKean of Joliet, former of the county highway department, who had died suddenly Tuesday in Silver Cross hospital. The three had become close friends by working together for the past many years.

Waldvogel was removed to the hospital at once, but was beyond help.

Born in Joliet, the son of John Waldvogel and the late Mrs. Waldvogel, he lived most of his life in the New Lenox area. On November 20, 1929 he was united in marriage with Miss Louise Rositch of Joliet.

Surviving are his wife, two sons, Robert and William of New Lenox, his father and brother Ralph of Homer township.

The body has been removed to the Fred C. Dames funeral home in Joliet. Funeral services will be held Saturday morning at 9 o'clock in St. John's Catholic church in Joliet.

Mr. Waldvogel was to have been named acting postmaster at New Lenox.

The Blue Island Lions club is completing arrangements for the 7th annual July 4th celebration in that community. Advance indications point to the greatest celebration in the suburb's history.

Mayor John M. Hart is co-chairman and the various committees are headed by men who for the most part have had several years experience in their respective responsibilities which has made the Blue Island celebration the drawing card for crowds in excess of 10,000 people annually.

The affair begins with the senior parade at 1 p.m. on July 4. It is estimated that 100 units will be in line of march. There are five musical units, all appearing for the first time.

Mr. and Mrs. Ray Osmus of Jackson, Mich., spent the weekend here with their son in law and daughter, Mr. and Mrs. LaVern Braun and children. They came to attend the funeral of his aunt, Mrs. Anna Bethel.

Mr. and Mrs. Joseph Hartung and children returned home Tuesday from Cleveland, Ohio where they enjoyed several days on a combined business and pleasure trip.

The Woman's Auxiliary to VFW Post 9545 will meet Friday night June 12 in the Lions Den.

Announcement has been made by Mr. and Mrs. Emanuel Wondrasek of the engagement and approaching marriage of their daughter Christine, to Robert L. Voss, son of Mrs. Myrtle Voss of Joliet.

The couple will be married Saturday morning June 13, at 9:30 a.m. in St. Jude's Catholic church, in New Lenox, with Rev. Father Denis Hall officiating at the double ring ceremony. A reception will be held from 3-5 o'clock in the Wondrasek home.

No invitations have been issued but all relatives and friends of the couple are invited to attend both the wedding and reception.

The bride to be attended Joliet Township high school, and is employed at the Rock Island offices in Chicago. The groom-to-be attended JTHS also and is employed by the Coca-Cola Bottling works in Joliet.

Guests Sunday of Mr. and Mrs. Erwin Yunker and family were Mr. and Mrs. Glen Drexel and family of Midlothian; Mr. and Mrs. Earl Moss, and family of Mokena; Mr. and Mrs. Norman Yunker and family of Orland; and Mr. and Mrs. Warren Mancke and family of Tinley Park.

Mr. and Mrs. John Berghage and daughter Sondra, and Mr. and Mrs. Charles Reinack and family of Park Forest were

guests in the Ernest Spanhake home Sunday.

Mr. and Mrs. Earl Schroeder attended services Friday night in Peotone for his uncle John Woeltje, who passed away there Thursday.

Several New Lenox folks attended the Amvets carnival in Mokena over the weekend.

The May meeting of the Busy Hour 4H club was held in the home of Janet Warring. A club tour was discussed but no definite plans made. Anita McMahon gave a reading, and Janet Korggaard entertained with selections on the piano. She led the group in recreation. Refreshments were served by the hostess and her mother. The June meeting will be held at the home of Lucille Moritti.

Mrs. Adelaide Rühle and Mrs. Arelia Bruns were hostesses for the Woman's League when it met in the Trinity Lutheran church recently. The next meeting will be in July when hostesses will be Mrs. Florence Haas and Mrs. Juanita Wood. Mrs. Elliott will demonstrate flower arrangements.

The Royal Neighbors met in the Lions Den last week. Dessert coffee was served by Mrs. Merina Sievert.

ORLAND PARK

Mrs. Sherman Knox
 Orland Park 211W

Carol Bormet was among those who graduated with the eighth graders from the Trinity Lutheran school Sunday evening. Following the exercises relatives gathered in her home for a pleasant visit. They were Mr. and Mrs. Loren Kimsey, Mr. and Mrs. A. Summerville, William Hentsch, Mr. and Mrs. Fred Hentsch and family, Mr. and Mrs. Ed Hentsch and Mr. and Mrs. Christ Hentsch. Ice cream and cake were served. Carol received many lovely gifts and cards.

The Orland Park Unit 526, the American Legion Auxiliary, will meet for its regular meeting on Friday evening, June 12 at 7:30 p.m. in the school library. Election of officers will be held. All members are urged to attend. Refreshments will be served.

An executive board meeting of the Orland Park Woman's club will be held Wednesday afternoon, June 17, at 1:00 p.m. in the home of the president, Mrs. Sigmund Smith.

The WSCS of the Orland Park Methodist church will sponsor a "Fathers and Sons" banquet to be held Tuesday, June 23 at 7:00 p.m. in the church recreation room. A program is being arranged and also for a speaker. For the fathers who do not have a son, borrow one for the evening, also the same holds true for a lad without a dad. Keep that date open, further details later.

A district camporee of the Boy Scouts was held in Homewood over the weekend. About 12 boys from the Orland Troop attended. Edward Mell and Harry Anderson, committeemen accompanied them. In spite of the wet weather, the boys enjoyed the outing.

New comers via the Stork in Orland area are: A baby girl born May 28 at Little Company of Mary hospital, Evergreen Park, weighed 8 lbs. 11 1/2 oz. She has been named Dale Ann. Her parents are Mr. and Mrs. Tom Ludwig.

On June 2nd, a baby boy was born in Silver Cross hospital, Joliet, weighing 5 lbs. 7 oz. named Bruce Merrill, Mr. and Mrs. Merrill Cooper are the parents. In St. Francis hospital in Blue Island, Wednesday, June 3, a baby girl was born, weighing 10 lbs. 13 oz. She has been named Cheryl Ann. Her parents are Mr. and Mrs. Paul Lukas.

A week ago Sunday, the Herbert Robson family arrived in Orland at the home of their parents, Mr. and Mrs. Raymond Robson. They had made their home in Point Pleasant, New Jersey, but plan to find a home in this vicinity. This past Sunday morning, Mrs. Robson and family arrived in Orland to visit his parents. Frank has a 21 day furlough and will visit relatives and friends before returning to his base at Weaver Air Base, Rapid City, So. Dakota.

Lee Ambrose is home from the hospital, feeling some better. The Daily Vacation Bible school held in the Methodist church, is on its second week and reports a large attendance.

Mrs. Wm. Duehr entertained at dinner Tuesday evening in honor of her husband's birthday. Guests were Mr. and Mrs. Chas. Burkhardt, Sr., Mr. and Mrs. Wm. Burkhardt and Mr. and Mrs. Chas. Burkhardt, Jr. and children, all of Mokena.

Mr. and Mrs. Edward Bennet and son left Tuesday for Schul. Isberg, Wis., where they will spend a week with his grandparents. Their daughter Debbie is staying with her grandparents, Mr. and Mrs. Arthur Beagly.

Howard C. Yunker who flew here to attend the funeral of his father last Saturday was called back to his work Monday. He left by plane.

Mr. and Mrs. Robert McKinney of Chicago are the parents of a baby girl born Thursday, May 28 in Silver Cross hospital, Joliet. The infant weighed 7 lbs. 10 oz. and has been named Calvina Vera, for her mother and maternal grand mother. Both mother and daughter are doing fine and will be at the home of Mrs. Franklin Loeb, sister to the new mother, for a few weeks.

The Girl Scouts of Orland Park held their weekly meeting June 3. We discussed a wienie roast for June 4. About 15 girls attended this gala affair held in

Roberta Brancato's back yard. The girls who were not with Mrs. Henry's troop were initiated. The two girls who were awarded prizes for performing their feat the best were: Nancy Owens and Karen Perowski. After the business session, we had our friendship circle and sang "Taps."—Karen Perowski. Publicity.

Public Service Co. Considers Filing For Boost in Rates

Commonwealth Edison Company and its Public Service company division is giving serious consideration to filing "in the reasonably near future" of an application for an increase in rates.

Willis Gale, chairman, made the announcement "reluctantly" at the company's annual stockholders meeting held in Chicago May 28.

Concerning the possibility of filing an application with the Illinois Commerce Commission for a rate boost, Gale said, "if we do, we are confident that we will be rewarded for the past efforts we have made to hold down the price of our product while almost everything else has

been increasing. We believe that we will merit prompt and adequate relief."

If the company decides to go ahead with its rate request, a petition probably would be filed before July 1, he added.

Gale said the company had effected many economy measures in an effort to stave off the necessity of a rate increase but that the tide of increasing costs "is

rising just a little too fast."

Should a rate increase materialize, it would be the first for Edison in its entire 66 year history as against 26 electric rate reductions. Public Service had two increases resulting from the inflation of World War I as against 37 electric rate reductions and important gas rate reductions during its 42 year corporate history.

Wins Essay Contest For Eighth Grade

At the Memorial Day services in Frankfort, Bobbin Swinford Post 1098 presented their annual medals for the essay contests conducted in the sixth, seventh and eighth grades. The subject was "A Great American". Winner of the eighth grade essay was Phyllis J. Stevens, who was awarded a gold-filled essay medal. Her winning essay follows:

A Great American—The Unknown Soldier
By Phyllis J. Stevens
Frankfort Public Grade School
Viola Lankenau, teacher
To me the Unknown Soldier is a great American because he like all the other soldiers whom he stands for, fought and courageously gave his life for his country. In my estimation that is about the greatest thing an American can do.

Nobody but God himself knows who the Unknown Soldier is. The only thing known about him is how he became the Unknown Soldier.
After World War I, some army officials of the Allied countries found that the bodies of many soldiers who had been killed in battle couldn't be identified. The governments of five of those countries which included the United States, decided to have a memorial in honor of the soldiers who died in the war. Each country of those five countries have an Unknown Soldier.

Our Unknown Soldier was selected by General John J. Pershing from four of the unidentified war dead, who were in an American cemetery in France.

In 1921 the body of the selected soldier was brought to the United States, and it was put in Arlington National Cemetery in Virginia. Usually the war dead are buried in the cemetery, but the Tomb of the Unknown Soldier is a special memorial which stands in front of the great memorial amphitheater in Arlington National Cemetery and is honored, especially on Memorial Day, and commemorated in tribute to his and all the other American soldiers' bravery.

There have been many great Americans who have done great things and have been greatly recognized for it, but there are many more great Americans who haven't been recognized for a deed that's great in just about anybody's book. They are the millions of American soldiers who have given their lives for their country. We realize we can't build great memorials for all our war dead so we have built one great memorial which stands for all those great Americans who gave their lives; the Memorial of the Unknown Soldier.

Chicago Enforcing Laws Lowering Pedestrian Fatalities

(CNS) A city wide drive to enforce laws regarding pedestrians and to cut Chicago's high pedestrian fatality rate is now in force.

The drive was launched with an appeal by Mayor Martin Kennelly for the cooperation of Chicagoans and suburban residents who either drive or walk on the city's streets.

Police have been ordered to crack down on enforcement of laws governing motorist pedestrian relations. Last year Chicago had the nation's highest fatality rate for any city over a million population and three out of five deaths were pedestrians—272 persons. In addition, 7,906 were injured.

The following are the city's laws for motorists regarding pedestrians.

1. Stop or slow down to let pedestrians cross at intersections not guarded or with signal lights

when the pedestrian has already started to cross.

2. Yield right of way to pedestrian in mid block when a cross walk is marked.

3. When a pedestrian has started crossing with a green light motorists must not start up until he has crossed the roadway in which the cars are traveling.

4. If a driver has stopped to let a pedestrian cross at a corner or mid block, no driver may pass the stopped car from the rear.

5. Yield right of way to pedestrian crossing with a "Walk" signal in his favor.

6. Motorists turning at a green light must yield right of way to pedestrian in cross walk of street into which motorist are turning.

7. Every driver must exercise due care to avoid hitting any pedestrian anywhere on any roadway and must give warning by sounding the horn when necessary.

Arrests will follow violations of those laws, according to Police Commissioner Timothy O'Connor and Park District Chief George Otlewis.

Holstein Herd Of Valy & Cagwin Leads DHIA No. 1

According to the monthly report of Frederick A. Holm, tester for Dairy Herd Improvement Association No. 1, the Holstein herd owned by Valy & Cagwin, Frankfort, led this group last month with an average production of 1198 pounds of milk and 45.5 pounds of fat.

Other high producing herds with breeds, pounds of milk, and pounds of fat, respectively, were owned by: Arthur G. Henke and Son, Tinley Park, Brown Swiss, 1113-44.5; Donald E. Nice, Sr., & McGlashen, Frankfort, Holstein, 1035-42.0; Walter Lauffer, Tinley Park, Holstein 1035-41.9; Melvin J. Heisner, Peotone, Holstein, 1171-41.5.

Walter Lauffer was owner of individual cows which ranked first and second in individuals with productions for the month of 2220 pounds of milk, 109 lbs.,

of fat, and 1970 lbs. of milk and 99 lbs. of fat, respectively.

Other high producing individuals, with productions, were owned by the following: Louis Holm & Son, Mokena, 1920-98; Henkeview Farms, Henke Bros. owners, Tinley Park, 1770-97; Valy & Cagwin, 1590-89. All were Holsteins.

New Speedway to Open Friday Night

Mance Speedway, south of La Grange on route 45, will be the scene of knockdown, drag out stock car races Friday night

June 12, when the Midwest Stock Car Racing Association tackles the local boys from the western suburbs of Chicago. George Krueger, of Mokena, will be the announcer.

From 45 to 50 cars will participate in the race program, which gets underway at 7 p.m., with time trials and the first race at 8:30.

Bernie Wilhelm, Danny Curley, Bob Durka, Frank Welch,

Dick Smart, Larry Downey and Bob Findley are just a few who will pilot the hardtops as hard and fast as they will go.

Mance Park Speedway can be reached from either route 66 from the west or route 45 from north or south. The track is just east of route 45 at Hodgkins, Ill.

ALPINE

Mrs. E. Mrosek
Orland 41-J-1

The Maue PTA, under the guidance of its president, Mrs. Chester Williams, the cooperation of its officers and the response of its members, has had a successful and fruitful year.

Programs for the past year were of varied and careful selection. In September there was a demonstration on vegetable, flower cutting by Mrs. Williams; October, a lecture on Wild Life and a movie "Wild Life in Color" was shown by Robert Mann; November, the Book Fair; December, the ever popular Christmas program by children; February, a cake decorating demonstration by Mrs. Brennan; March, the hobby show by children and lecture by Louis Statkus of Chicago whose prize winning rock collection was also on display; April, movies, "Adam to Atom" and "East of Bombay"; May, a panel discussion "Career Study" by girls of the Orland high school Home Ec. Dept. and movie, "Telephone Cable to Cuba." The school picnic in May was also sponsored by the PTA. Some of the programs were so well liked that plans are being made to repeat them. Some could very easily become as much a part of the regular curriculum as the annual Christmas program and school picnic.

The money making projects and proceeds were: Mum corsages \$26.40; wax paper, \$8.44; Christmas corsages, \$13.85; Christmas cards, \$18.20; purses, \$47.95; Book fair, \$14.20; Violets \$21.15; Stanley parties, \$9.78; \$6.20, \$6.00. Total profits were \$172.17.

Gifts to the school through donations and purchase included: a cot with pad, pillow, sheets and blanket, a table, Christmas tree and bulbs, Christmas treat for children, a coffee maker, silverware, a cake knife and milk dipper.

The Maue PTA was organized during the school term a year ago. It has been fortunate in having for its president a woman such as Mrs. Williams whose talent for organization and leadership and whose background as a former PTA president and Home Economics teacher has made her especially well qualified for the office.

The Orland boys 4H club will meet at Maue school Monday, June 15 at 8 p.m. Richard Meier is to give a talk on the feeding of beef cattle, and Edward L. Mrosek will talk on the care of a calving heifer. Joseph Albert is to talk on the care of chickens. John Janulis and Jerry Gorman will serve. Members should bring their record books to be checked at this meeting.

Jack Gorman and Miss Eleanor Kraf of Tinley Park are to be married July 18. The wedding will take place in St. George's Catholic church in Tinley Park. Miss Kraf is an employee of the Tinley Park bank.

Police were called about 2:30 a.m. one morning last week to investigate prowlers who were apparently trying to force entry into the Louis Schmidt home on 104th ave. Although two squad cars of police arrived promptly, the prowlers got away. It is believed they were frightened away when lights went on in a neighboring home. Discovery of their questionable activity came about when a neighbor was awakened by and went to investigate the unusual din being made by the Schmidt's dogs. Mr.

and Mrs. Schmidt and family were away on vacation.

Young Jerry Gorman thinks birthdays are swell, especially when a fellow is treated to two parties in honor of the event. Because Mrs. Gorman was at work Thursday, his birthday, Mrs. Charles Albert surprised Jerry and his pals with a party. Friday there was a family gathering to celebrate the occasion.

Rev. and Mrs. Herschel Aseltine and son Teddy of the Marley Community Baptist church were dinner guests of Mr. and Mrs. Garrett Cummins Tuesday.

Mr. and Mrs. Roy Cummins and son Chris of Harvey visited with his parents, Mr. and Mrs. Garrett Cummins Thursday evening.

Mr. and Mrs. Garrett Cummins attended a family party at the home of their daughter, Mr. and Mrs. Taylor, in Chicago Sunday evening in honor of Mrs. Taylor's birthday.

Mr. and Mrs. Owen Maue attended a meeting of the Saturday Evening club in the home of Mr. and Mrs. Lester Christensen Saturday. The first prize went to Mrs. Edwin Yunker for the ladies and for men to Mr. Glen Schroeder. The booby prizes were won by Mrs. Owen Maue and Richard Erickson.

Mr. and Mrs. Robert Uthe and son James were visitors at the Owen Maue home Monday evening.

Mr. and Mrs. Harry Hansen of Minneapolis, Minn. are visiting the Charles Henning family.

The Community club picnic held Sunday at Van Horn woods was much enjoyed by the large attendance. The potluck lunch was delicious and the weather was ideal. The men played baseball and a few of the women participated in a game of canasta, altogether it was a most enjoyable afternoon.

Saturday last year's Schmul school graduates, who are fresh men at Joliet township high school, gave a "Future Freshmen party" for this year's Schmul graduates, at the school. Barbecued beef sandwiches and Hawaiian fruit punch was served. There was square dancing and various games were played. Mrs. John Bogatitus and Mrs. Paul Korggaard were chaperons. It was a pleasant evening and a good time was had by all.

Miss Barbara Koloski was a weekend guest of Miss Janet Korggaard.

Mrs. Vera Sullivan from Chicago spent the weekend with her daughters, Mrs. Wm. Malloy and Mrs. Dan Owens and families.

Mr. and Mrs. M. Halik entertained an aunt Mrs. Mary Novak and a cousin Mrs. Alice Vanek

from Cicero, Sunday afternoon.

Mrs. Dan Owen celebrated her birthday June 3. Congratulations Dorothy.

Mrs. George Kranz has just returned back to her job after a week's vacation. Vacation we say, we saw you working, bet you're going back for a rest.

Mr. and Mrs. Chas. Doll and daughter Sandra spent Saturday with Mrs. R. Rabeiga and Mr. and Mrs. Edward Starsine spent Sunday evening with the Rabeigas. Come neighbors and lets have some news.

Harvey Federal Pays Off Vacation Club Members

"Where shall we go?" and "How shall we travel?" are questions now under consideration by 98 members of Harvey Federal Savings and Loan Association's Vacationclub who last week received a sum total of \$8,333 in

vacation funds to be used this summer.

John Bardwick, Jr., president of Harvey Federal Savings, states "The \$8,333 paid out this year to our vacation club members represents an increase of \$3,136 over the amount paid out in 1952 the first year of the vacation club's existence. The popularity of this sort of savings plan has grown tremendously during recent years. An ever increasing number of people have come to recognize the advantages of paying for their vacations by this convenient method."

RECORD-BREAKING GAS MILEAGE

for the driving YOU do!

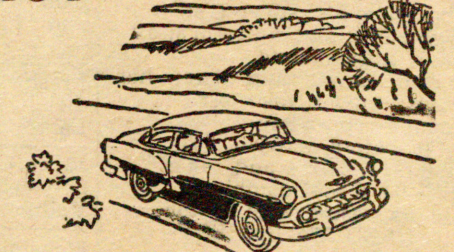

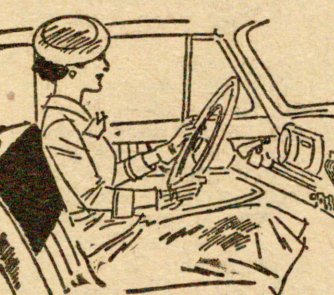

This year's Chevrolet brings you the most important gain in economy in Chevrolet history. And it's the kind of everyday economy that saves you money wherever and however you drive!

Inch along through heavy traffic. Roll up the miles in steady highway cruising. Long trips or short errands, byroads or boulevards, you get far more miles per gallon in this great new Chevrolet.

New high-compression power is the reason. Both the new 115-h.p. "Blue-Flame" engine in Powerglide* models—and the advanced 108-h.p. "Thrifty-King" engine in gearshift models—deliver more power on less gasoline. Acceleration and hill-climbing ability are greater, fuel consumption is lower!

This is the kind of economy that counts the most—important gasoline savings for the driving you do, together with lower over-all costs of upkeep. And along with it, you enjoy all the other advantages that only the new Chevrolet offers you. Come in and see for yourself!

*Combination of 115-h.p. "Blue-Flame" engine and Powerglide automatic transmission available on "Two-Ten" and Bel Air models only.

Indianapolis-Type Races to be Held At Santa Fe Park

Indianapolis-type speedway races return to Chicagoland as one of the highlights of the current racing season. They were presented on the longest track in this area, a half-mile oval located at Santa Fe Park, 91st and Wolf road, Sunday night, June 7.

Negotiations were completed recently with the park by Frank R. Winkley, manager of Auto Racing, Inc., the largest management organization in the speed

sport, to handle the eight event program that has been sanctioned by the International Motor Contest Assn.

No fewer than a dozen of the finest and fastest cars in this field will take part in the main event where the bulk of the championship points and the largest portion of the big cash purse is paid. Points won in this event count towards the 1953 National Dirt Track Championship and defending champion and world record holder Del

Snyder is expected to have his \$15,000.00 Miracle Power Special on hand to protect his title.

Locking wheels with Deb in the various events are many out standing drivers including Leor Derock, Iowa's championship contender; Bert Hellmueller of Louisville, Ky., Mid-South Champion; Bob Carpenter of Wabash Ind., the banked tract tlist; Clair Cotter of Austin, Minn. and many others.

Miss Marlene Mankowski graduated from the St. Francis Academy of Joliet Friday evening.

Mrs. Albert M. Elphick and Mrs. Ora Andrews were guests last Thursday evening at an annual dinner of the Will Co. Animal Welfare League held at the Methodist church of Joliet. The principal speaker was Mrs. Irene Castle Enslinger who gave a very interesting talk and told short stories which everyone enjoyed very much. The Shelter is being enlarged and Mr. and Mrs. Nelson, who are in charge, welcome visitors at all times.

Mrs. Ray Mankowski and family attended the graduation of a niece, Miss Cynthia Walla, from Mundelein high school Sunday in Chicago.

Miss Sherill Minnis has returned to live with her parents in Chicago. Charles Minnis has also arrived at home for the summer months to live with his parents in Chicago.

The Bible School of the Calvary Baptist church will start June 15 and continue thru the 19th. All children who are going should register Saturday.

The young people's splash party was a great success and well attended by thirty eight young folks who later returned to the church for refreshments.

Book List will be available at the book stores for the coming year in the month of August.

Mr. and Mrs. Ray Mankowski and family were guests Sunday of Mrs. Libby Guifoye at the baptism of a baby at St. Bridget's church in Chicago. Also at a birthday party for Mrs. L. Guifoye's son.

Miss Wanda Martin returned Monday from Silver Cross hospital after an appendectomy on Thursday. She is feeling fine.

Mr. and Mrs. J. C. Vaughn and family returned from a visit to Chapel Hill, Tenn. for a week's vacation. Mr. and Mrs. Dave Vaughn returned home with them.

Those who attended precamp training—last Wednesday and Thursday at the Mokena park were Mrs. G. Kaehler, Mrs. N. Bradley, Mrs. P. Kluth and Mrs. W. Castle. There were twenty girls of the troops in Lincoln Estates who started camping in Mokena Monday morning with their leaders.

Mrs. W. Carter was a guest of Mrs. Em. Holzback of Ivanhoe for lunch Friday.

Mr. and Mrs. Wm. Davidson were guests at a wedding reception in Chicago Saturday for a member of the family.

It has been suggested by the board of education that all preschool children have their immunization shots and check ups before August as doctors do not care to give them in polio season.

Favor Bill to Appropriate \$50,000 For County Services

(CNS) The city council judiciary committee last week went on record as favoring the creation of the Chicago Metropolitan Area Local Government Services commission, provided for in House Bill 542 now before the state legislature.

The committee recommendation will go to the council Thursday.

The bill would appropriate \$50,000 for a study to be made of vital government services in Cook, Will, DuPage, Lake and McHenry counties. A report on the study, with recommendations for the most adequate and economical method of administering these services would be submitted to the state legislature by March 1, 1955.

The commission to make the study would be composed of the following five senators appointed by the president of the senate, five representatives chosen by the house speaker, three by the governor, one by Chicago's mayor, one by the President of the Cook county board of commissioners, one each by the boards of Lake, Will, DuPage and McHenry counties, and one representative elected by a majority of the mayors or presiding officers of the boards of all the cities and villages in Cook county outside of Chicago.

The city council had previously deferred action on taking a stand on the bill.

Ald. Nicholas Bohling, chairman of the judiciary committee, said that legislators had also withheld further action on the bill until word was received on Chicago's position. The bill had reached a third reading in the state house of representatives on May 26.

The bill provides for study of fire, police, sewage disposal, sanitary systems, water supply, highways and transportation, building construction, zoning, parks, and garbage and waste collection and disposal.

V.F.W. Aux. News

The regular meeting of the Ladies Auxiliary to Wm. Martin Post No. 725 was held in the Vets hall June 4. Two new members were welcomed into the Auxiliary, Mrs. Fred Riser, and Mrs. Earl Wolfgang.

Commander Hurley asked the Auxiliary members to assist the Post in giving a dinner which will be held June 23 in the Vets hall.

It was decided to have a Card and handkerchief shower for Mrs. Nora Kohl, who is a patient at Sunny Hill Sanitarium, Joliet. A cherry note from all of us will help pass the long hours. The above address is all that is needed.

Another of our loyal members Mrs. Antop Benson is confined to her home by illness. I am sure she would also enjoy a card.

All members are asked to assist at the Wedding reception for the Ralph Kerpen's June 20. —Mrs. A. Clark, Pub.

Wheat Allotment For New Farms

Farmers on land which no wheat was seeded for harvest or use during any of the years 1951, 1952 or 1953 may apply for a 1954 wheat acreage allotment, according to Conrad Borms, Chairman of the Will County Production and Marketing Administration Committee. To be considered for an allotment on a farm which had no wheat seeded for any of those years, the farmer must apply in writing to his county PMA committee by June 24, 1953.

Blank application forms are available at the county PMA office for use in filing requests for allotments.

Midget Auto Racing At Joliet Memorial Stadium Sat. Nite

Between 40 and 50 midget autos are expected to be entered when the regular weekly programs get under way Saturday night in Joliet Memorial Stadium. Rain last Friday and Saturday forced cancellation of the scheduled season opener.

Several Chicago and Joliet area drivers will be trying to stop last year's track champion, Kenny Rubright of Lyndon, Ill., when they turn the quarter mile clay oval. Rubright clinched the title last season with a victory in the 100 lap finale.

But Rubright expects to have trouble with such standouts as Chicagoans Tony Lent, Pete Peterson, Earl Iverson and Larry Johnson, all of whom finished well up in the point standings.

Other veteran drivers expected to compete include Bill Finkle and Bob Tattersall of Streator; Arman Supernant and Bunny Beaver of Kankakee; Tony Saylor, Bernie Wilhelm and Norm Legner of Joliet; Joe Biers of Rockdale and Ray Elliott of Lockport.

On the program Saturday are four qualification races at 10 laps each, a six lap trophy dash 15 lap semi-feature and 25 lap feature. The first race starts at 8:30 p.m. following time trials at 7:30 o'clock.

Readers Viewpoint

Rev. Wm. Riemann, pastor of St. John's Evangelical and Reformed church in Mokena, has requested publication of the following letter, which appeared in "The Party Line", a publication issued quarterly to the town and country pastors of the Evangelical and Reformed church.

A Code For a Small Community

"I am one of the small communities of America, I am not Chicago and I am not New York. I will respect myself. I will not indulge in self-pity because I am small. I will develop and conserve my resources. I will not fail to organize as I should, but I will not waste my energy in useless organization. I will not encourage factional strife of any kind; religious, social, or economic. Other communities may be able to endure factionalism; but my resources are limited, and they must be conserved. I am a thinking unit in America's great Republic, which is ruled by public opinion; and I will endeavor to make my contribution to an intelligent public opinion. I will not knowingly be ruled by ignorance or prejudice. All attempts to fill my mind with propaganda I will resent as an insult not to be endured.

"Because I am a community, the most important fact about me is that I have a purpose and a spirit. I will encourage all those individuals and those groups who try to keep their spirit and purpose free from evil and full of righteousness and good will. I will recognize that probably the basic man in my community is a farmer, a gardener, a fisherman or a miner. Were it not for these people who man the industries, my community would not exist. I will try to prosper with them and not off of them. I am a small community but I do not need to be isolated nor provincial; the goods of the world are mine, but the world expects me to provide as well as to take. I will be worthy of the wholehearted devotion of my people because I offer them a chance to secure the abiding satisfaction of life."

Mokena, Frankfort, To Hold Doughnut Day Tomorrow

Doughnut Day for the Salvation Army will be observed in Mokena and Frankfort, Friday, June 12. Mrs. James Fasset will be in charge of the work for Mokena, assisted by several other civic-minded women from Mokena. They plan to meet the early morning train, but will not make a house to house canvass.

C. Smith of Joliet At Mokena Church

Clinton Smith, superintendent of Silver Cross hospital, an ordained minister, supplied the pulpit of the Mokena Methodist church Sunday. He will supply the pulpit again this Sunday, preaching at the 9:30 service.

Mr. Smith was well received and was an able speaker, having a vital message. He came to the Joliet hospital after having served the Oak Forest institute.

Everyone is cordially invited to hear him this Sunday.

AN ORDINANCE GRANTING TO THE MOKENA METHODIST CHURCH, A RELIGIOUS CORPORATION, LICENSE TO OCCUPY VILLAGE PROPERTY.

Whereas, The Mokena Methodist Church, a religious corporation organized and existing under the laws of the State of Illinois, is presently maintaining a building on village property, commonly known as Church Square, which said building is used and maintained as a sanctuary and church school where religious services are conducted and religious instruction given;

And Whereas, the said corporation, The Mokena Methodist Church, is now desirous of remodeling the present church building and building a new building on said premises which will house additional facilities for religious services and instruction;

And Whereas, it is desirable and beneficial to the Village of Mokena and its citizens that said church be permitted to occupy said premises so long as the same shall be used for religious or church purposes.

Now, Therefore, be it ordained by the Board of Trustees of the Village of Mokena, Illinois, as follows:

Section 1. That the President and Clerk of the Board of Trustees of the Village of Mokena, Illinois, be, and they are hereby, authorized to execute a license or grant to The Mokena Methodist Church, a religious corporation, of the following described property:

The Southeast corner of Block 12, Denny's Addition to Mokena; thence North 100 feet; thence West 134 feet; thence South 100 feet; thence East 134 feet to the point of beginning; situated in the Village of Mokena, County of Will and

State of Illinois.

Section 2. That such license or grant of said premises shall run to said corporation for so long as the said premises shall be used for religious or church purposes and that in the event that said premises shall hereafter cease to be used by said corporation, its successors or assigns, for church or religious purposes, then and in that event said license shall become void and of no further force and effect and the use of said premises shall revert to the said Village of Mokena. PROVIDED: That in the event that said premises shall cease to be used for religious purposes and said license shall become void, as hereinabove provided, then the said Mokena Methodist Church, its successors and assigns, shall have the right and privilege of removing from said premises any and all buildings and installations therefrom.

Section 3. That the President and Clerk shall be, and they are hereby, authorized to execute and deliver to the said The Mokena Methodist Church a said premises embodying their grant or license of the use of the provisions and intent of this Ordinance.

Section 4. This Ordinance shall be in full force and effect from and after its passage as provided by law.

Free Christians

Lesson for June 14, 1953

WHEN Paul speaks of Christians as "dead to the law" or "free from the law" he is not thinking of what we call the law of the land. Paul was very careful to observe the laws of his own Roman Empire, as well as all local laws. Furthermore, when Paul speaks of Christians' freedom from law he does not mean that a Christian can afford to turn his back on the Ten Commandments, even though when he says "law" he is usually thinking about those Ten Commandments and all they involve. Let us see what is meant by saying Christians are dead to the law.

Dr. Foreman

Law As A Curse

Paul speaks more than once of the "curse" of the law, as for example in Gal. 3:13—Christ "redeemed us from the curse of the law, having become a curse for us." Now it may seem odd and even perverse to think of law as a curse, especially a good law. And particularly the law of God; how can that possibly be a curse? To understand this we have to think our way back into Old Testament times. There were certainly some people, like the unknown poet who wrote the 119th Psalm, who loved the Law and found joy in studying and keeping it. But for every such man there must have been numberless others who found the law just what Paul at one time in his life had found: a sort of standing threat on God's part. "Do this or else—don't do that or else—." Don't we know people in our times who think of God as keeping a sort of record book full of black marks, — who think of God as keeping up with us just in order to take down everything bad we say or do or think? A person who is not very conscientious may think gaily, "I'll get by;" but a conscientious person who realizes what a high standard the law calls for, may live in terror lest God demand vengeance for every broken law, great or small. Now the Christian can breathe freely; he is free from such terrors because whatever curse there may be in the law, Christ has taken upon himself.

Law As A Condition

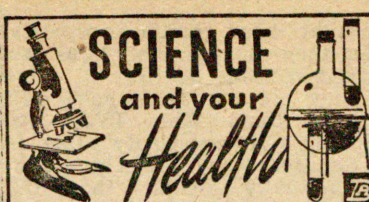

Then the Christian is free from the law as a condition of God's favor. "When shall I be good enough for God to love me?" is a question no one ought to ask. The Christian is one who has discovered that God's love does not wait for our obedience. A mother does not wait till her baby is old enough to understand her and obey her before she will love him. And even when he is old enough to understand, if he disobeys she may disapprove and punish him, but she will not stop loving him. If God had waited to love us till we were good enough to love, he would be waiting yet. It is God's gracious love that produces what goodness we have, not the other way around. Doing what God wants done is absolutely right and we should try our best every day to do just that.

Law As A Cage

Again, law for some people is a kind of cage. Inside its narrow pattern they carefully live. They do what they must, what the law compels; but beyond that they will not go. They are only as good as they have to be. Now the Christian is free from the law as a cage, just as he is free from it as a curse and as a condition. The Christian loves by faith, hope and love; and these take him clear beyond the limits of law.

A husband who does for his wife and family only what the law requires will be a poor husband. A citizen who will do no more for his country and community than just not to break any laws, is not the best type of citizen. A soldier who will not go beyond the line of duty will deserve no medals. A "Christian" who does no more than barely try to keep from breaking the Ten Commandments is never the high-level Christian. A Christian is free. He is law-abiding; but he does not live "under" law, he lives under Grace. It is a different atmosphere.

STOPPING POLIO by Science Features

The chances are you have had polio. Very likely the attack was an extremely mild one—so mild you didn't notice it. But because it occurred you probably will never suffer the paralyzing form of the disease. You have become naturally immune.

And because the human body can build up immunity to the polio virus, scientists today believe they are on the verge of conquering this crippling disease. Latest news in the fight against infantile paralysis is the development of a vaccine effective against all three types of polio virus.

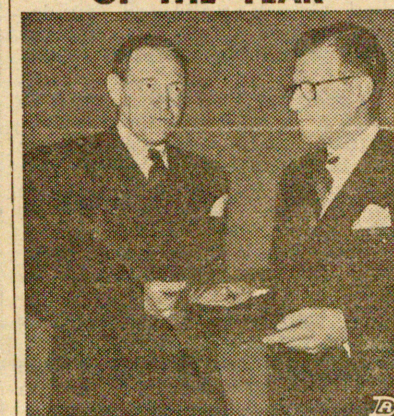

The vaccine was developed by Dr. Jonas E. Salk of the University of Pittsburgh. It has been tested on 161 patients—the largest number ever to be inoculated against polio. Artificial immunity conferred by the vaccine lasted at least four to five months. There were no unpleasant side-effects.

However, Dr. Salk cautions that his vaccine is not ready for immediate nation-wide use. Many field tests must be conducted to confirm the experimental findings before scientists will be able to use it against outbreaks of polio such as occurred last summer. In addition, several production problems must be ironed out.

The fact remains that this vaccine is the best so far discovered. Last summer's experiments with gamma globulin proved that paralyzing polio can be temporarily prevented in epidemic areas. GG was science's first victory against polio—and the Salk vaccine may prove to be the final one.

When that day comes the "paralysis" will have been taken out of polio.

BUSINESS STATESMAN OF THE YEAR

James J. Nance, former Chicago industrialist, left, now president of Packard Motor Car company, is honored as "Business Statesman of the Year." The Award for "distinguished service to America's business" is presented by Thomas H. Coulter, president of the Sales Executives Club of Chicago at a recent dinner citing Nance for his industrial leadership in his new program at Packard. The company has returned to the luxury car field with the Packard line and is producing a new medium priced car, the Clipper. In less than a year production and sales have been doubled.

THE GREAT DELUSION

By Thurman Sensing

So. States Industrial Council

Some of these days the people of the Tennessee Valley are going to wake up and realize they have been laboring for many years under a great delusion—the delusion that the Tennessee Valley Authority has

brought them greater prosperity than they could possibly have obtained without it.

They are not only going to realize that "The TVA has brought you prosperity" line is a delusion; they are also going to gradually realize that the TVA, in fact, is having a restraining effect upon their prosperity.

Why has the delusion already lasted so long? Simply because it has fed upon itself.

For twenty years there have been politicians in the Tennessee Valley area who have subsisted upon the "protect the TVA idea". They have thrived so well upon it—claiming to thereby protect the interests of "the people"—that they have largely relied upon it as the main reason for being elected to office and for being retained in office. Without this claim they would be lost; therefore they must retain it, they would not know where else to turn they wouldn't know what to do without it.

There have been newspaper within the area that have been activated likewise. They have used the TVA as a great shibboleth, its upholding as a great sign that they are fighting in the interests of the "common man." They have attempted to make preservation of the TVA appear as a great "grass root movement" and their efforts as the light that guides that movement. Without it, they would also be lost.

There are even chambers of commerce in the Valley that have fed the fires of this fallacy. They have stultified themselves and betrayed the free existence, by opposing state enterprise system to which they are responsible for their very control and federal subsidies of the one hand and endeavoring to entice industry by advertising cheap TVA power on the other.

The fourth factor in preserving the TVA delusion thus far is the TVA itself. It came into existence, therefore it must stay in existence! The TVA publicity department has been a most effective agency. It has had almost unlimited funds—the people's taxes—to operate with, and it hasn't failed to take advantage of the opportunity. To hear the TVA tell it, the TVA is the most wonderful thing created since man was deposited in the Garden of Eden. They have told this story to the people of the Valley, throughout the nation, and all over the world—at our expense. They have told it so vigorously and so long that people generally have come to accept it as a fact.

But the truth has a way of coming to light. Some aspects of the TVA are gradually beginning to soak into the consciousness of the people that make it look quite differently from what they have been led to believe.

Let us consider for a moment one of these fallacies; namely that the TVA has brought the people of the Valley a prosperity they never would have had otherwise. Now, after twenty years of the TVA, the people are looking around them. They are seeing that people outside the area, without any TVA have also prospered, in many cases more greatly than within the area.

Also, as they look around the people realize that the prosperity in the Valley is not as sound as that without. For one thing it was not gained in the traditional American manner. So far as cheap power is concerned, it was given to them; they did not earn it. Moreover, they see that industry is becoming quite wary of coming into an area where the power supply is governmentally owned and politically controlled. War plants, using large amounts of electricity, come in yes; but not so much sound long-time industry.

Industry knows, and the people some day will find out, that government monopoly of the

power supply is the worst sort of monopoly; that while electricity may be cheap in the Valley now, if the TVA decides late on to charge as much or more for power than it costs outside the Valley, there is nothing that can be done about it. There are many indications now that this may happen.

BABSON SAYS—

New York City, June 4. Dur-ing the past winter, while in the South, I received many interest-ing letters which I have saved. Most of these letters can be class-ified under four headings: 1, Un-employment Insurance, 2, Ex-cess Inventories, 3, Personal Debts, and 4, Labor Unions. As these letters come from over thirty different states, they give a cross section of what the aver-age businessman is thinking about.

Unemployment Insurance
For a very subtle reason most businessmen, especially retailers are not opposed to unemploy-ment insurance. They feel that if a depression comes, these un-employment checks—as well as pensions, old age assistance and other sources of Government, State and Municipal aid—will be of real help in preventing a bus-

iness collapse. Doubtless these checks from the public treasury will cushion a decline in their business when unemployment comes. But why have the unem-

ployment letters almost unani-mously, however, complain about the present abuse of this unemployment insurance. For in-stance, in Massachusetts a per-son who earns approximately \$500 in each quarter of a year, is entitled to collect \$25 for 23 weeks for unemployment, or \$575. But the laws of the vari-ous states vary somewhat as to the amount paid and the dura-tion of payment. If these were bona-fide cases, it would not be so bad but my correspondents claim that a large proportion of these "unemployed" have pur-posefully arranged to get "fired" in order to get this insurance. In other words, it is becoming a fast-growing racket which is up-setting the employment situa-tion, undermining the character of employees and causing an un-necessary drain on public funds. If unemployment offices are not operated by politicians and their friends, officials do seem to be shutting their eyes to this abuse. It should be stopped.

Danger of Excess Inventories

John C. Lang of Baltimore writes a letter which is typical of many similar letters. He calls attention to the excess inventor-ies which businessmen for vari-ous reasons feel obliged to carry. Of course, the future of your community depends, in the long run, on keeping purchasing power and inventories on a reason-able balance.

Such a balanced condition would help to give your com-munity a steady but gradually increasing prosperity. Various suggestions have been made for preventing excessive inventor-ies. One is that the Excess Pro-fits Tax be switched to an Ex-cess Inventories Tax. Surely, some check on excess inventor-ies is needed to avoid a business depression. I hope each mer-chant will be careful.

Installment Debts

The American people are to-day indebted for \$19.3 billions due on installment purchases. Savings are larger than ever and these should, to a certain extent, serve as an offset. Un-fortunately, however, Congress has not given the Federal Re-serve System the power to curb consumer credit, and this un-necessarily permits further cre-

dit expansion.

A dangerous feature of the situation is that local banks, which refused to loan customers when they were out of employ-ment and needed the money, are now, with higher prices being paid for automobiles, refrigerat-ors, fur coats etc., encouraging unnecessary borrowing. I hope they will be careful and avoid a policy which would not be good for their community.

Labor Leaders

From almost every state I re-ceive complaints about the arbi-trary actions of union labor. My correspondents do not object to the carpenter, painter, plumber, bricklayer etc. getting more pay. They, however, complain desper-ately that these workers are not producing what they should and are loafing on the job. The work-men in turn blame the problem on the labor leaders. All of this sets up a vicious circle which sometime must collapse.

I am a great believer in ev-ery family having a home, and hence have always encouraged the building and buying of homes. I fear, however, that the present attitude of labor leaders may cause the building boom to collapse. Considering that the building of a small house aids twenty-seven different indus-tries, such a collapse should be avoided.

R. I. to Set Up Scholarships For Employees or Sons

The Rock Island Lines has announced plans for setting up university scholarships for pre-sent employees of the railroad or their sons.

J. D. Farrington, president, said certain universities are be-ing contacted regarding the pro-gram which will provide tuition and books for a four year course in engineering.

Two scholarships will be ar-ranged for the Fall quarter, and next year two additional scholarships will be provided making four in all on a contin-uing basis.

In addition, the students will be provided with summertime jobs on the railroad. On com-pletion of their college courses, the young men will be offered ap-pointments to the railroad train-ing program, although they will not be required to remain with the railroad as a condition of the scholarships. The training program will be for a period of

one to two years, at which time the employee-trainee may be qualified to assume officer sta-tus in the operating department. Mr. Farrington said,

The universities being contac-ted are in the area served by the railroad. Students will be re-quired to pass the regular en-

trance requirements and main-tain a satisfactory academic rec-ord to stay in the program, Mr. Farrington said. He added that work performed during sum-mer vacations will be credited to the student's on-job training pro-gram following college gradua-tion.

Christian Science Churches

No lesser power than God's, can heal the sick, comfort those that mourn, and establish man's health and harmony. This will be explained in all Churches of Christ, Scientist, on Sunday, June 14. The subject of the Lesson-Sermon will be God the Preserver of Man.

The Golden Text is from Proverbs (29:25) "Whoso putteth his trust in the Lord shall be safe." Lesson-Sermon passages from the Bible (King James Version) include:

"The Lord shall preserve thee from all evil: he shall preserve thy soul. The Lord shall preserve thy going out and thy coming in from this time forth, and even for evermore." (Ps. 121: 7, 8).

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include:

"As the children of Israel were guided triumphantly thru the Red Sea, the dark ebbing and flowing tides of human fear, as they were led through the wilderness, walking wearily thru

the great desert of human hopes, and anticipating the promised joy,—so shall the spiritual idea guide all right desires in their passage from sense to Soul, from a material sense of existence to the spiritual, up to the glory prepared for them who love God" (p. 566).

TINLEY PARK

The annual picnic for officers of the Green Garden Insurance company was held Sunday. Attending from Tinley Park were Mr. and Mrs. Joe Andres.

In honor of their daughter Ermadine's graduation Thursday evening, Mr. and Mrs. Harold Ver Steegh entertained 20 relatives and friends in their home on Elm Lane drive.

Lt. C. J. Sprague has completed the two months assignment at Chanute field and has been transferred to Shreveport, La. Mrs. Sprague expects to meet him there within the next week.

The small students at Orchard Hill kindergarten are eagerly awaiting Friday, June 12, for its on this day that the annual graduation will be held.
